

## Notice - Ocean Grill Upgrade - 2014

Kurumba Maldives is very excited to announce that during the coming summer period we will be upgrading our Ocean Grill restaurant.

Work on Ocean Grill will commence on the 10th of May and it is expected to be completed by late June to mid July.

Due to the location of the Ocean Grill, we are able to isolate this area to reduce any significant impact on guest activity.

The Ocean Grill Restaurant and Menu will be set up in the Beach Bar for evening service.

The Ocean Grill Breakfast will be served in Kurumba Café.

All other restaurants and facilities will be not be affected through this upgrade.

Work will commence at 08.30 hrs. and in most cases be completed by 18.00 hrs.

When the project is completed, we will be renaming Ocean Grill to Thila, which means a underwater reef in the local language Dhivehi. The restaurant will offer a more modern and contemporary setting and offerings to our guests
