

**ABSOLUTE**

With a total of eight restaurants based within the resort, each offering an eclectic selection of the world's finest cuisines, thoroughly spoilt guests are well catered for. Deciding whether to visit the main restaurant for unhurried all-day dining, to savour far-Eastern sushi and teppenyaki at the over-water Hamakaze or to feast within the palatial Lebanese décor of Al Qasr is not an easy decision to make. Making a choice between the delicious Indian, Chinese and Italian menus of Mahal, East and Duo, respectively, is equally as difficult.

For guests who want to season their meals with a pinch of Maldives romance, Thila offers a unique beachfront setting in which to dine; relish the finest grilled seafood by candlelight surrounded by a panoramic vista of the ocean. Finally, those wishing to make the most of their private garden, balcony or hired yacht can request an intimate dining experience for two.

The resort features three bars: Kalhu, for karaoke kings, Athiri, set on the beaches for the best sunsets and the lively Beach Bar, where guests can share a cocktail and convo in the company of live bands and local dance acts.

Voted 2015 World Luxury Spa Awards as Best Luxury Resort Spa - country winner and surrounded by soothing reflection ponds, the resort's Veli Spa is an oasis of serenity in the heart of the island. Here, guests can enjoy a dedicated yoga session, unwinding in the relaxation lounge, de-stressing in the single or couples treatment rooms or indulging in reflexology and exotic body wraps and polishes. For a more romantic experience 'The Spa Under the Stars' offers couples a chance to watch the sunset whilst enjoying a unique cowrie shell massage using local handpressed Coconut oil.

Life at the Kurumba Resort isn't just for the sun and spa-seekers – the sporting and adventurous amongst us have a whole smorgasbord of activities to entertain. The Sports Centre offers a fully-equipped gym, pool, and three floodlit tennis courts and if water sports are your passion the Dive School offers a full range of PADI diving courses. Explore the spectacular dive sites of The Maldives as dazzling shoals of iridescent tropical fish, (friendly!) reef sharks, manta ray and turtles wait to greet you.

Once you've met the fishy locals, try your hand at Kayaking, water-skiing, windsurfing and parasailing at the spectacular Water Sports Centre and keep the littl'uns entertained with the Fun Tubes and Banana Rodeos. This is all in addition to a widerange of fascinating local excursions including a Sand Bank Picnic, the ever popular sunset cruises and even night-fishing under the stars.
