

## Majaa Kids Club Information

Majaa Kids Club keeps our youngest guests entertained during their stay with exciting activities all week through. Did you know that “Majaa” means “fun” in the Maldivian language? We offer fun filled schedule with both indoor and outdoor activities allowing the kids to experience the Island Life with Maldivian Twist. Activities we offer include but not limited to:

- Snorkeling Lesson
- Cooking & Mocktail Making Class
- Arts & Crafts

And many more!

For safety and security reasons, parents must register their children at Majaa Kids Club, so our kid’s coordinators can supervise them. A registration form must be completed and acceptance of your children is subject to certain conditions (health and happiness of your child). You can obtain an activity schedule from Majaa kids club. Please check for any changes in the schedule with our Majaa Kids Club Team.
