

BEGINNER'S DIVE

If you're curious about diving but uncertain if it's right for you, or if you're short on time for a full course, we offer options for you to experience the underwater world before your departure.

Free Try Dive

Are you hesitating to try scuba diving? This is your chance to learn what it is like to breathe underwater for the first time in the shallow water. Minimum age 8 years old.

Bubblemaker

Finding Nemo....underwater fun for kids between 8 and 9 years in the shallow lagoon. A great way to introduce children to diving and is a memorable activity that kids simply never forget!

Discover Scuba Diving

A safe, fun and easy way to try out scuba diving and explore our beautiful house reef. Maximum depth 12 metres. Minimum age 10 years old.

For more information, please visit the Euro-Divers Dive Centre

GET CERTIFIED

Seeking a diving course for worldwide certification? Dive into our tailored options matching your holiday plans. Learning amidst the vibrant marine life ensures an unforgettable experience, no matter which course you select.

PADI Scuba Diver Course

Your first scuba diving certification that opens the door to a lifetime of adventures. It's a perfect option for those who do not want to complete the full Open Water Diver Course. This can be upgraded in the future. Certified to 12 metres in 2-3 days.

PADI Open Water Diver Course

This is the most popular entry-level course that teaches you everything you need to know about diving, safety, equipment and unlimited fun to feel comfortable in the water. Certified to 18 metres in 3-4 days.

For more information, please visit the [Euro-Divers Dive Centre](#)

ENHANCE YOUR DIVING SKILLS

Already an Open Water Diver? There are various options to extend your knowledge in areas where you have the greatest interests. Explore our top-rated specialty courses.

PADI Advanced Open Water Diver Course

This course is all about advancing your skills, gaining experience, discovering more adventures and building confidence. Certified to 30 metres in 2-3 days.

PADI Specialty: Diver Propulsion Vehicle (DPV)

Scuba diving with a DPV is some of the most fun you can have underwater. You will be surprised how much you can see on one tank of air. See More, Swim Less, Smile Big!

PADI Specialty: Enriched Air (Nitrox) Diver

This is one of the most popular PADI's specialty courses. Get Nitrox certified in as little as one day. Nitrox contains less nitrogen than regular air. Breathing less nitrogen means you can enjoy longer dives and shorter surface intervals.

TOP DIVE SITES

Kurumba Maldives offers some of the best dive sites around. From breathtaking coral reefs and shipwrecks to manta rays, sharks and turtles. North Malé Atoll is a diver's paradise and has something for everyone.

Lankan Manta Point

This dive site is among all one of the most famous manta ray cleaning stations in the Maldives. Between May to November, this dive site comes alive.

Sightings: Turtles, reef sharks, manta rays during the season and more!

Okobe Thila

This is a marine-protected dive site and there are amazing colorful soft corals, big schools of fish and dense schools of Bannerfish gathered outside the overhangs.

Sightings: Blue-lined snappers, napoleons, tunas and more!

Banana Reef

The reef takes its name because of its shape when viewed from the air. This dive site has been declared a Marine Protected Area. The scenery is fantastic!

Sightings: Sharks, soft corals, trevallies, blue-lined snappers and more!

For more information, please visit the Euro-Divers Dive Centre

TOP DIVE SITES

A variety of dive trips to choose from include house reef dive, guided boat dives – morning, afternoon and night dives. Certified divers can join us for a complimentary Welcome Dive. This dive gives us the chance to help you ease back into the water.

HP Reef

One of the best dive sites and a must for every experienced diver. The soft corals are the stars of the show at this beautiful site.

Sightings: Eagle rays, trevallies, tunas, sharks and more!

Chicken Island

Our favourite spot for a night dive! This unique experience will make you feel like you are in the cinema.

Sightings: Guitarfish, reef sharks, moray eels, stingrays and more!

Maldives Victory Wreck

Coming to the North Malé Atoll and not dive the Victory is like visiting Paris without seeing the Eiffel Tower. The 80m long cargo shipwreck was sunken in 1981 with depth ranges from 15 to 30 metres. Excellent for wreck lovers!

Sightings: Trevallies, tunas, macro life and more!
